**In the drawings**

The drawings were received on 7/16/04. These drawings are acceptable for examination purposes only. Formal drawings are now required.

**Reasons for allowance**

The following is an examiner's statement of reasons for allowance:

The present invention is drawn to a circuit utilizing a plurality of resistors, a plurality of switching transistors, a plurality of flip-flops, a default value generating means and a multiplexer recited in claims 10-16. None of the prior art disclosed or suggested to show the particular structure and/or the particular operation recited in these claims namely: "the plurality of resistors coupled in parallel with each other to the voltage output", "the resistors, each coupled to ground through the corresponding plurality of switching transistors", and "one or more the plurality of resistors are coupled to ground as determined by the states in said flip-flops" in combination with "the plurality of switching transistors" and "the plurality of flip-flop" as recited in claim 10; the combination of "the plurality of flip-flops", "the multiplexer" and "the plurality of switching transistors" as recited in claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
